Newhey Carpets Ltd - Environmental Policy

Newhey Carpets Ltd is a family owned and run carpet manufacturing company that recognises its responsibility for environmental protection and is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment.

Specifically the company will:

- Prevent pollution.
- Reduce the amount of waste generated, and seek to re-use and recycle materials whenever economically practicable to minimise the need for disposal to landfill.
- Provide environmental awareness training to all employees to ensure that the policy is understood and implemented.
- Promote efficient use of materials and resources throughout the company.
- Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take steps to protect human health and the environment when such materials must be used, stored and disposed of.
- Purchase and use environmentally responsible products where possible.
- Increase energy efficiency.
- Ensure the activities of the company comply with all statutory requirements of environmental legislation.
- Communicate our environmental commitment to clients, customers and the public and encourage them to support it.
- Develop products and processes with reduced environmental impact.

Newhey Carpets is committed to continual improvement of the company's environmental performance and will review the policy on an annual basis.
